

DB-WATCH NEWS

Neighborhood Watch Newsletter for Diamond Bar residents and businesses

September 2016

New Online Resources

In an effort to provide additional resources to Neighborhood Watch and Business Watch groups, a new webpage has been added to the City website at www.diamondbarca.gov/watch to assist groups with meeting information, videos, and resources.

The new multi media campaign is designed to support community efforts to run groups in your area, increase awareness about public safety and crime prevention, and provide templates, handouts, and other materials that can be distributed to your neighbors.

Contact Deputy Aaron Scheller at 909.839.7079 for additional information.

Thank you for your interest in the Neighborhood Watch Program.

To support your efforts to start and successfully run a Watch Group in your area, the City has embarked on a multi-media campaign to increase awareness about public safety and crime prevention.

As part of this campaign, the City will be creating templates, handouts and other materials that you can print, use and share with your neighbors.

Keep checking back as additional resources and video clips will be added regularly.

Fill-in Meeting/Event Notice

Planning to hold a meeting or get-together for your Watch Group? Print and customize this notice.

How to Hold a Meeting

Holding monthly Neighborhood Watch meetings are a good way to interact with your neighbors and pass on valuable information. Meetings can be scheduled at a private residence, in a garage, or central location in your immediate neighborhood.

Online resources to assist you with planning your meeting are available on the City's website, which can be used to help you notice a meeting in your immediate neighborhood. For first time Neighborhood Watch kick-off meetings, contact Community Relations Deputy Aaron Scheller at 909.839.7079 for availability.

Safety Videos

The City and Sheriff's Department have created a variety of safety and crime prevention videos that are available for viewing on the City's diamondbarca.gov website, or by clicking [here](#).

As a reminder, be alert, and if you see suspicious activity, immediately report it to the Diamond Bar/Walnut Sheriff's Station at 909.595.2264, or dial 9-1-1 to report a crime in progress or life threatening emergency.
